Cohort Guidelines

- 1- **CONFIDENTIALITY** So that we may create a safe and supportive environment within our , group members are asked to keep all information shared by any member of the group in strict confidence at all times.
- 2- **MUTUAL RESPECT** To ensure that group members feel comfortable sharing their genuine thoughts and feelings within the group, all members are asked to treat one another with courtesy, respect and dignity. Treating others with kindness and compassion often promotes emotional and physical health for all concerned.
- 3- **"I PASS" RULE** While members are encouraged to participate in group discussions, at no time will anyone be asked to reveal information which he/she is uncomfortable sharing. By saying "I Pass", the group member's wish to be silent at that time will be honored. This group member will still have a chance to share but after everyone else in the group has shared.
- 4- **PUNCTUALITY** Please be on time for group.
- 5- **COMMITMENT** If a member is unable to attend a group session, he/she is asked to notify the facilitator prior to the following session if at all possible.
